

enviro midori

Combining a fresh, modern finish with drainage capabilities to eliminate surface water runoff, 80mm (3.15") thick Enviro Midori pavers are optimized for mechanical installation, with interlocking spacer bars for enhanced surface stability. Available in multiple sizes and packaging configurations, these pavers pattern and combine seamlessly with other 80mm pavers to create unique designs.

Paver: Enviro Midori, Milano with
Hydr'eau Pave, Golden Ash inset and border
