

monterey

Our newest architectural slab features a softly-textured surface and uniquely undulating spacers (in the 8x16 size) for use as coping, cap or step. Monterey's clean lines, appealing earth tones and availability in five sizes and three packaging options make it an ideal choice for creating a relaxed West Coast vibe. At 50mm (1.97") thick, it can be combined with Rialto for a unique effect.

Paver: Monterey, Tweed
