

villanova

A natural stone look, with accentuated contours that define Villanova's unique characteristics. This large scale paver has an 80mm (3.15") thickness suitable for both vehicle and pedestrian traffic. Villanova's three piece paving system allows a natural stone look with ranges of earth tones that emphasize any landscape décor. Design flexibility is endless with Villanova's 8x16, 16x16 and 24x16 sizes. Give your project an upscale look using the fifteen different textures of the 8x16 rectangle in the timeless herringbone pattern or enhance the scale by adding the square and large rectangle units.
