

wexford

Wexford's combination of classic lines, smooth finish and worn appearance make it a stand-out when it comes to giving your space a classic yet relaxed atmosphere. With its 70mm (2.76") thickness, it provides excellent stability, for both vehicular and pedestrian traffic. Wexford's four-size range and classic styling allow for unbounded design options, and the peace of mind of knowing it will last a lifetime.

Paver: Wexford, Sandalwood
